## INTERNSHIPS

### **Cut Off Studios, Remote — Intern**

March 2024 - May 2024

- Operated under the mentorship of Cut Off Studio's audio production team in recording, editing, and mixing vocals and vocal percussion
- The final prepared product is a fully recorded and produced single (for Smooth Progressions A Cappella)
- Utilized Avid's Pro Tools for music production editing and Elon University's recording studios for tracking

### **Big Bad Sound, Los Angeles — Intern**

March 2023 - May 2023

- Involved in the preparation and striking of recording sessions, including positioning microphones, configuring instruments and hardware in the tracking room, and connecting the audio signal chain to the main console
- Contributed to overall studio cleanliness and provided assistance when available to clients/owners
